Two pieces 46 x 23 cm (18" x 9")

2 Sewing

Make sure that you have made all embellishing techniques on the front piece of the cushion before you sew the cushion together. (See other PDF's)

- Attach the standard foot on your Pfaff sewing machine. Thread your sewing machine with blue sewing thread in the needle and in the bobbin.
- Seam the two back pieces together to form a 17.5" square with a basting length stitch. Insert the zipper in this seam. Note: if you do not know how to insert a zipper go to www.pfaff.com and click on the creative assistant and then zippers.
- Remove the basting.
- Open the zipper about 5 cm (2"). Place the back with zipper right sides together with the embellished front piece. Carefully pin the back piece to the front piece and stitch together on around all four sides with a 1,5 cm (5/8") seam.
- Trim seam allowances.
- Turn right sides out. Press seams.
