Enchanting embroidery with the Pfaff creative²¹²⁴

Embroideries for every taste!

Up to 225 x 140 mm (9" x 5 1/2") in size. Highest quality and perfect appearance – typically Pfaff!

Optional creative smart cards with many embroidery designs for every taste! A never-ending source of ideas. New designs are constantly being added. Visit your Pfaff dealer to see the latest selection, or go to www.pfaff.com.

Also available on the Internet: embroidery design downloads and Pfaff's sensational **webshop** – your online design shop!

Begin immediately! Many accessories included!

With the purchase of the creative²¹²⁴ you will receive: a creative smart card with designs and fonts, a tutorial CD ROM filled with wonderful inspiration, an illustrated instruction manual and a quick embroidery packet, containing fabric, stabilizer and thread.

Embroidery comfort at the touch of a button!

Insert the creative smart card, select your favorite design in the illuminated window, and the fun begins! Your Pfaff creative²¹²⁴ always recommends which hoop to use for every embroidery.

Easy positioning!

For perfect positioning, you can move your design in four directions and rotate it in 90 degree steps. To check the exact position of the embroidery on the fabric in the hoop, just push the "Orbiting" button – very practical when placing several designs exactly next to one another.

Move through the entire design, stitch by stitch

No matter where your creative²¹²⁴ is in the embroidery, you can use the "Stitch selection" button to move forward or backward, stitch by stitch, to embroider only part of your design.

Many colors or only one?

The decision is yours! One touch is enough and your Pfaff creative²¹²⁴ will embroider any design in a single color. No stops for thread changes are needed!

No fabric slippage during embroidery!

Use it to prevent knit fabrics from stretching and to fasten fabrics that you don't want to hoop. The basting function can also be used to secure small fabric pieces to hooped stabilizers or fabric.

Embroider different designs for variety!

Embroider designs from various creative smart cards or use them together with the decorative stitches available on the Pfaff creative²¹²⁴. You have endless possibilities.

And after embroidering...

just push "Pack position" to easily store the embroidery unit.

Great feature: the integrated needle threader!
No more searching for the needle's eye. Just lay the thread in place, and you're ready to go.

Sew with the twin needle!
The window always shows when a twin needle can be used for a stitch. When sewing with two threads, use the included extra spool pin.

Practical: lots of room under the presser foot – ideal for sewing several layers!

PFAFF

Professional sewing with the Pfaff creative²¹²⁴

German Engineering! Innovative design!

Only from Pfaff:

IDT – absolutely even fabric feed from both top and bottom.

When working with fine fabrics or with several layers – nothing can slip! Plaids and prints always match perfectly. Perfect seams, even on long lengths of fabric.

Very versatile: Pfaff's stitch package!

The right stitch for every fabric and every sewing project:

Twenty-three professional utility stitches

Twelve satin stitches

Three quilt stitches with hand-sewn character

Ten decorative stitches for imaginative sewing

Two hem stitches for decorative hemming

Two cross stitches for traditional needlework

Comfortable stitch selection!

All the information for each stitch appears in the illuminated window. Recommended settings for each stitch, like length and width, are already set and can be adjusted if needed.

Sewing functions at the touch of a button!

"Tie off" function – ties off stitches at beginning and end of a seam.

"Needle Up/Down" function – the needle remains in the fabric when sewing stops.

"Sew slow" function – reduces the speed by half when sewing difficult seams.

"Mirroring" function – mirrors patterns horizontally.

"Permanent reverse" function – sews both utility and decorative stitches in reverse.

All **stitches**, with presser foot recommendation, are illustrated **in the lid** of the Pfaff creative²¹²⁴!

Professional buttonholes can be sewn without having to turn the fabric.

Sewing on buttons? No problem – with the button sewing program!

Ideal for darning and free motion embroidery or quilting – the **feed dogs** can be easily lowered **from the front of your creative**²¹²⁴.

Extra strong motor. **Consistently strong needle piercing power** when sewing slowly or when sewing several layers. Several layers of denim can easily be sewn together!

Only from Pfaff! **The ergonomic work area!** Lots of work space and an optimal view of your sewing project.

With integrated **needle threader!** Just lay the thread in place and you're ready to go!

For precise topstitching: **Many needle positions.** Sew an even distance from the edge without having to move the fabric. Ideal for attaching zippers.

Bobbin winding is easier than ever! You can wind the bobbin directly through the needle. Bobbin winding stops automatically as soon as the bobbin is full.

Optimal presser foot clearance!

Plenty of room for heavy fabrics or several layers.

Circular pieces, such as sleeves or trousers, are easy to sew, thanks to the **slender free arm.**

Practical thread cutter!

No more searching for the scissors!

Using a twin needle?

The window always shows when a twin needle can be used for a stitch. When sewing with two threads, use the included extra spool pin.

Start sewing right away!

The most important sewing accessories are included with the machine: standard presser foot, decorative stitch foot, blind stitch foot, hemmer, edge guide, buttonhole foot, bobbins, and more. And all accessories have their own individual compartments in the large swing-out accessory tray.

"Snap on" – the quick change system for presser feet and needle plate. Just snap them on and off.

Quick to put away: The hard cover protects from damage and dust. It has a practical side opening so that the cords can remain plugged in.

Optional sewing accessories expand the possibilities!

There is a large selection of optional Pfaff presser feet for special effects, professional sewing results, and much more.
